

Letters Come Alive

TODAY YOU'LL MAKE

Your name, dancing across the screen.

GET READY

- ☐ Laptop
- ☐ Mouse
- ☐ Headphones
- ☐ Pencil

STEPS

- 1 Click the orange **Create** button.
- 2 Click **Tutorials**. Pick **Animate a Name**. Follow it.
- 3 Add every letter of your name as its own sprite.
- 4 Give each letter a different sound or spin.
- 5 Go back to Tutorials. Do **Add Effects** on one letter.

IF IT BREAKS

Letter won't change color? Click the letter sprite at the bottom first, not the stage.

No sound? Turn the volume up and check the speaker isn't muted.

You're the Driver

TODAY YOU'LL MAKE

A sprite you steer with the arrow keys.

GET READY

- ☐ Laptop
- ☐ Mouse
- ☐ Pencil

STEPS

- 1 Click **Create**, then **Tutorials**.
- 2 Do **Use Arrow Keys**.
- 3 Try all four arrows. Fix any that go the wrong way.
- 4 Go back. Do **Glide Around**.
- 5 Draw a maze on the backdrop with the paint tools.

IF IT BREAKS

Sprite runs off screen? Add an **if on edge, bounce** block.

Arrows do nothing? Click once on the stage, then press a key.

Your First Real Game

TODAY YOU'LL MAKE

A chase game that keeps score.

GET READY

- ☐ Laptop
- ☐ Mouse
- ☐ Pencil
- ☐ Patience

STEPS

- 1 Click **Create**, then **Tutorials**.
- 2 Do **Make a Chase Game**. Go slow — this one is big.
- 3 Find the **Score** box. Watch the number go up.
- 4 Play your game three times.
- 5 Swap the sprites for ones you like better.

IF IT BREAKS

Score never changes? The **change score by 1** block must sit inside the forever loop.

Chaser too fast? Lower the number in the **move** block.

SCAN ME

YOUR CHALLENGE

Make the score count **down** from 10 instead of up. What should happen at zero?

Show It Off

TODAY YOU'LL MAKE

A game with your name on it that other people can play.

GET READY

- ☐ Laptop
- ☐ Mouse
- ☐ A grown-up to help you share

STEPS

- 1 Click **Create**, then **Tutorials**.
- 2 Do **Make a Pong Game**.
- 3 Add a sound when the ball bounces.
- 4 Add a **You win!** message at the end.
- 5 Click **Share**. Copy the link.

IF IT BREAKS

Ball goes through the paddle? The **touching** block needs the paddle's exact name.

Share button missing? You have to be signed in to your Scratch account.
