

Get the Cat Moving

TODAY YOU'LL MAKE

A beach scene where three characters talk to you.

GET READY

- ☐ Laptop
- ☐ Mouse
- ☐ scratch.mit.edu open
- ☐ Pencil

STEPS

- 1 Click the orange **Create** button.
- 2 Click **Tutorials** at the top. Pick **Getting Started**. Follow it.
- 3 Go back to Tutorials. Do **Add a Sprite**.
- 4 Go back again. Do **Add a Backdrop**.
- 5 Press the green flag. Watch what happens.

IF IT BREAKS

Nothing moves? Check you clicked the green flag, not the red stop sign.

Blocks won't snap? Drag them so they touch the bottom of the block above.
